Re: Grant No. 1036AR2

Dear Mr. Hoyt,

Please let me first of all express my appreciation to the Council for the \$2,000 contribution to the symposium being presented at FASEB.

The symposium will be on Thursday, April 16th in Room 300 of the convention center. A program and list of participants are enclosed.

The night before the symposium we will have a hospitality hour and dinner for all participants and invited guests beginning at 6:00 P.M. in the Essex A Room of the Hyatt Regency Hotel. I would like to take this opportunity to invite two representatives of the Council to join us on this evening. Please let me know who will be coming. I have made arrangements with the University of Wisconsin Foundation to receive the \$2,000 contribution. I have done this because it is easier to deal with the kind of expenses I will encounter through the Foundation than through the University system. I will provide you with a statement and copies of receipts which I will furnish them. If this is satisfactory to the Council, you would make this check out to: The University of Wisconsin Foundation, Account number 483, for the use of Dr. James A. Will.

Thank you in advance, I look forward to hearing from whoever will be our guests at the hospitality hour and dinner.

Sincerely,

*James A. Will* (ms)
